BUILT BY LEGACY

Inspired by the Forest River family legacy, EAST TO WEST was founded in 2017 by Lisa Liegl Rees to build the next generation of RV's: High quality construction, value added brands at an affordable price. This division's collaborative and multigenerational team with industry experts helps challenge, innovate, and foster the true investment in giving our customers the best RV experience. We take pride in our craftmanship from concept to completion by offering limited floorplans with standard features. Our ever-growing product line of brands are each artfully designed and named with meaning.
